

Survey of the Mary River

I surveyed 30 people and here are the answers to my questions.

Q1. Do you think that the Mary River should be dammed?

A1. 30 people said no and 0 people said yes.

Q2. Do you think that if the River does get dammed, that Brisbane should get most of the water?

A2. 26 said no and 4 said yes.

Q3. Do you think that if it does get dammed that it will affect Gympie?

A3. 30 people said yes and 0 people said no.

Q4. How would you feel if you lived where the dam is going to be put?

A4. 1 person said that they would feel happy, 4 people said that they would be angry, 4 people said that they would be annoyed and 21 people said that they would have a mixture of emotions.

Q5. Do you think that it would affect the travel time having to go around the dam, (Hervey Bay to Brisbane for example.)

A5. 22 people said yes and 8 people said no.

That is the end of my survey.
